- 3. Financial contribution to support the local center**

We recognize that everyone's financial circumstances are different, and we encourage members to contribute only what they can afford. In considering the amount of your contribution, think about what the center means to you. We suggest a monthly contribution of \$30.00 to financially support the Tucson Center, with a minimum of \$15.00 per month to become a Member. Exceptions are possible by contacting the Membership Team.
